## Gosling Czubak Awarded Michigan DTMB Environmental Services Contract

TRAVERSE CITY, Mich.:

Gosling Czubak Engineering Sciences, Inc. received notification from the Michigan Department of Technology, Management and Budget (DTMB) that it was awarded a DTMB indefinite scope, indefinite delivery contract for environmental services. The contract includes professional services for environmental engineering and construction administration. This will allow Gosling Czubak to perform environmental investigation and remediation projects for the Michigan Department of Environmental Quality and other State agencies.

Some of the services that Gosling Czubak will provide to the State may include: evaluation, design, and supervision of the implementation of abatements/remedies at environmental contamination sites under Parts 201 and 213 of the Michigan Natural Resources and Environmental Protection Act (NREPA) 1994 P.A. 451, as amended; Comprehensive Environmental Response, Compensation and Liability Act (CERCLA) and other statutes and requirements.

*Gosling Czubak Engineering Sciences, Inc. is a professional consulting firm providing environmental, landscape architecture, engineering, surveying, and geotechnical services to a large variety of clients. Currently employing a staff of about 50, the firm has served public and private clients throughout Michigan since 1957.*
